

1999 - Council nominated Stewart Nixon for the Outstanding Service Lieutenant Governor's Award. The RM applied for disaster relief in June because of excessive rain in May and June. Later that year, there was a commitment to funding share of \$215,613 for the Integrated Health Care Facility.

2000 - *The New Century*

2000 - The province was considering a move to amalgamate councils for towns, villages and rural municipalities. This was opposed by local governments. A general meeting was called to discuss the Agricultural Producers Association of Saskatchewan Organization and whether the municipality should participate in it. Later a 2 month membership fee was sent and elections were called. Keith Smith became the representative. A bag phone purchased \$100. Council declared all municipality lands to be non-conforming for the coming fire arms act. Council closed an account in the Toronto Dominion Bank in Wapella and deposited them in term deposit capital trust fund. Old Bushhog mower donated to Wapella. 911 response areas were designed for Rocanville and Moosomin. A motion was made to invest \$20,000 plus interest in the Healthcare Reserve Fund. Rental rates in 2000; Graders \$60 per hour, mower \$35 and non ratepayers would pay government rates plus wages.

2001 - Office hours were to be held in Moosomin RM Council Chambers-later the office phone in Wapella was disconnected. Pure Lean Hogs was given permission to pursue exploration stage of development of low odour hog barns in the RM. Bylaw #1530/01 declared St. Andrews Roman Catholic Church, Hall and Cemetery a municipal heritage site. Letter sent to companies that the Currie Road be the only route for Red Jacket Battery and Wapella Pipelines. .

2002 - The 2 RM's decided to purchase Munisoft computer system together. \$2000 grant was given to Rocanville Fire Department. Application was made to have SW 26-14-33 W1 designated wild life habitat. Utilities were cut off to elevator at Red Jacket and approval had already been given for the demolition.

2003 - Purchase of NW 31-14-32 W1 gravel pit land, RM's Martin and Moosomin each were to pay half of cost.-at a special meeting June 9/03. Beavers open to hunting and the bylaw for hunting season on them was rescinded. Motion: That the RM make a joint application with the RM of Moosomin to investigate the feasibility of a wind turbine to provide Sask. Power with preferred power from the N ½ 31-13-32 W1. Later in the year Mark Bateman and Hal Garrett were appointed to the Wind Generation Project Committee to negotiate terms of the Memorandum of Understanding with RM 121 and 122, Gateway Regional Economic Development and Gaia Power Inc. Council was to look at economic benefits of Moosomin and Martin amalgamating.

2004 - Authority to sign the Memorandum of Understanding re. Wind Generation Project was passed. Sask. Highways & Transportation, Bridge Services carried out a bridge inspection of the bridges in the R.M.
